MEET YOUR OFFICERS

Dorothy and Charlie Schoeneman (a former President of the Foggy Bottom Association) will be moving to Reston, Virginia, later this summer, but their "hearts will still be in Foggy Bottom," according to Charlie. An attorney in Washington, Charlie intends also to open an office in Reston.

The Schoenemans—she has been the faithful circulation manager of the FBNews—together with Charlotte Ann (almost five) and George James (1-1/2) say they will miss the neighborhood in which they have sunk many roots almost as much as their many friends.

Charlie and Dorothy met in Cambridge, Mass., where she graduated from Radcliffe College and where he graduated from Harvard Law School. They have been in the Bottom for almost six years—all as residents of the Watergate. Charlie was President of FBA from 1967 to 1969, and has been an Executive Committee member through this year.

"The most gratifying thing to happen to me in terms of the FBA was seeing it grow from a pretty disjointed group without a common purpose to a civic association in the best sense of the words. If we could only interest everyone in membership in the FBA, no matter how short a time they may intend to live in the Bottom, the goal would be completely achieved. But this is the ideal, I guess," Charlie observed.

Dorothy and Charlie Schoeneman think that some day they may be back in our midst. Till then, they invite all their friends to come and see them.

NATIONAL SYMPHONY FASHION SHOW TO BE HELD SEPTEMBER 21ST

The Annual Benefit Fashion Show, sponsored by the Women's Committee of the National Symphony Orchestra, one of Washington's most prominent social events, will take place in the Regency Room of the Shoreham Hotel September 21st. Cocktails at 11:30 and a gourmet luncheon at 12:30 will precede this gala event.

This year's showing, co-sponsored by Julius Garfinckel and Company, will have an added unique touch, promises Chairman Mrs. Alfred Luessenhop: it will be solely devoted to honoring our own American couturiers. Fall fashions, cruise and holiday wear, and a special selection of high-fashion furs will be shown.

Reserved seat tickets are priced at \$15.00, but the Women's Committee is also seeking Patrons and Sponsors for this event. A gift of \$100 will entitle the Patron to listing in the program and two tickets; a gift of \$50 will entitle a Sponsor to the same listing and one ticket. Checks should be made payable to the National Symphony Orchestra Fashion Benefit, and all proceeds from this event will benefit the National Symphony Fund.

For further information, please contact Ticket Chairman, Mrs. Frederick Batrus, at 652-8633, or the National Symphony Publicity Office at 483-4111.

N.O.W.

Cathy Irwin, President of the National Capital Area Chapter of the National Organization for Women, today announced that area women's movement groups will celebrate the 52nd anniversary of women's suffrage in the United States with "Women's Week" which has been designated as Sunday, August 20th through the anniversary date, Saturday, August 26th.

Irwin said that the week's events are expected to focus public attention on the Equal Rights Amendment, currently in the process of ratification, and general societal discrimination against women which persists despite corrective legislation.

The celebration of "Women's Week" will begin with a non-denominational worship service conducted by active local churchwomen at one of Washington's major churches. Concluding a week of activities will be the "Women's Fair" which will take place at the President's Park at 15th and E Streets, N.W., east of the Ellipse. The fair, which will be open to the public, will feature exhibitions of the work of local women artists and craftswomen, demonstrations of karate for self defense, plays and skits dealing with major women's issues, an authors' corner, strolling musicians and women's movement literature.

Irwin asked that all interested individual women and local women's movement groups which inadvertently have not been contacted regarding participation in the week's activities call the office of the National Capital Area Chapter of the National Organization for Women: 783-3539.

NOTES FROM THE WASHINGTON HEART ASSOCIATION

What does a good brisk walk do for you? It exercises your muscles—including your heart—and helps burn up excess calories. Doctors have noted up to a 20% increase in metabolism even 24 hours after such vigorous physical exercise as a brisk long walk. Learn more about walking for your heart and health's sake: walk over to the Washington Heart Association office at 2007 Eye Street, N.W. (or call 296-4697) and ask for a free copy of the pamphlet titled "Creative Walking".

LETTERS TO THE EDITOR

Dear Editor;

After having put together the copy for this issue, I began racking my brains (admittedly at the last moment) for ideas for something to write so that this issue would not be simply a melange of ads and public announcements. Under the circumstances, this letter seemed most appropriate. I must admit my own guilt. Often the copy is put together at the last minute, and when I see that we are short, it is too late to churn out some additional articles. Also I don't like to write on command, and it's really not fair to the readers. I usually pick up the articles in enough time so that I could write some respectable pieces when we need something extra, and in the future I will do this. There is no question that we are all busy, especially so in the summer, but that is not my point.

Since my involvement in the FBNews, it has become obvious to me that for the most part contributions to the paper are made by FBA officers and some of the FBNews staff. I can think of several contributors, and I don't need to mention their names, because you see them month after month, that are responsible for keeping this paper alive.

Perhaps the staff is somewhat at fault in not openly soliciting articles. I personally would like to see a wider variety of articles than what we offer now. Creative pieces, movie and restaurant reviews, human interest articles, letters to the editor, and especially in a campaign year, some political opinions.

It is simply not reasonable, in a community of this size that the FBNews is so dependent on a handful of people to produce a monthly newspaper. Not only do we need your help, we want to hear from YOU.

Sincerely,

Marjorie B. Mann
